Annotations in margins.
Whether it is one-leaf or two-leaf, DIN left or right â€“ the TS 98 XEA is dormakabaâ€™s single door closer for all installation types. As a result, the number of product variants and complexity in installation is reduced while simultaneously increasing flexibility at the construction site. The mounting plate with a universal hole pattern system offers the optimum or required fastening for many different door constructions. Official Fan Page For F-15 Carbon Express Arrows.
