Female Enterprise in the New Economy

By Karen D. Hughes

University of Toronto Press. Paperback. Book Condition: new. BRAND NEW, Female Enterprise in the New Economy, Karen D. Hughes, The rise of women's self-employment and small business ownership has received a great deal of attention in North America and industrialized countries around the world. In Female Enterprise in the New Economy, Karen D. Hughes examines whether an increasingly entrepreneurial economy offers women better opportunities for economic success, or instead increases their risk of poverty and economic insecurity. Drawing on original data from interviews, statistical research, and other sources, Hughes explores the reasons why women are starting businesses in record numbers. She looks at the type of work that entrepreneurial women are pursuing, the satisfaction they derive from their work, and the economic risks and rewards they face. Placing this study in the context of broader debates on economic restructuring, the emergence of a 'risk society,' and growing economic polarization, Hughes illustrates the diversity within women's self-employment and small business ownership, and the need for policies to better address the particular needs of this sector of the workforce. Tackling a range of issues and theoretical assumptions, Female Enterprise in the New Economy will be of interest to a wide audience in...

Reviews

Very good e-book and beneficial one. I am quite late in start reading this one, but better then never. I am effortlessly could get a pleasure of looking at a written book.

Tackling a range of issues and theoretical assumptions, Female Enterprise in the New Economy will be of interest to a wide audience in sociology, organizational studies, entrepreneurship studies, public policy, political economy, and women's studies.

At first glance it is hard to see what connects these individuals, to see what sets them out as markers of the "new" economy. They are diverse workers in diverse worksites – residential, commercial, suburban, inner city. Some are "business moms," juggling the demands of family and business from cramped offices or kitchen tables of busy suburban homes. Karen Hughes.
