Ultimate Iceland: Land of Fire & Ice
READING & RESOURCE SUGGESTIONS
Courtesy of Mary Savina ’72, Linda Rossi, and David Lefkowitz ’85

Here is a selection of favorite books, movies, and websites prepared for your journey. The books should be available at local public or university libraries, and many of them may be purchased and/or downloaded for e-readers through local and online bookstores. The movies may be available online or through a streaming service.

MAPS & GUIDEBOOKS

NATURAL HISTORY

Gudmunsson, Agust. The Glorious Geology of Iceland's Golden Circle. Springer, 2017. ISBN-10: 3319551515 / ISBN-13: 978-3319551517. *Note from Prof. Savina: “Although the focus is on the Golden Circle (Geysir, Gullfoss and Thingvellir), the guide also does a decent job covering some basics of the geology. Also, it covers some other areas where we will go in southern Iceland: the Reykjanes peninsula, Eyjafjallajokull and Reynisfjara, and (nearer to Reykjavik) a couple of areas that folks coming earlier or staying later might be able to get to on their own.”*

geologic companion to Iceland covers rifting of the crust, volcanic eruptions and glacial and other geologic activity in detail.

Jordan, Brennan T., Tamara L. Carley, and Tenley J. Banik. *Iceland: The Formation and Evolution of a Young, Dynamic, Volcanic Island—A Field Trip Guide*. GSA Field Guide, Geological Society of America, 2019. EISBN: 9780813756547. *Note from Prof. Savina*: “This field guide can be ordered through the GSA ($40; $28 for members, of whom there are a few on the trip). Easiest way to purchase is online: [http://rock.geosociety.org/store](http://rock.geosociety.org/store)*

Holm, Bill. *The Windows of Brimnes, An American in Iceland*. Milkweed Editions, 2008. ISBN-10: 1571313109 / ISBN-13: 978-1571313102. In these provocative essays, Minnesotan Bill Holm writes about the fate of America from his fisherman’s cottage on the shore of a creek in northern Iceland. *Note from Prof. Savina*: “…Holm [was a] Minnesota writer/educator of Icelandic descent, who taught at Southwestern State University in Marshall, MN. His other books include Coming Home Crazy (about spending a year teaching English literature in China), Box Elder Bug Variations (about, well, box elder bugs) and several others. He died in February 2009.”*

LITERATURE

Versions of the Sagas, Eddas, and the Landnámabók (the book of settlement) are available on the web, or as inexpensive electronic books; http://www.northvegr.org/index.html has links to online versions.

Here are several print copies:

Icelandic spirit.
