I was having a hard time finding books for secondary sources in the library, but then I found this one. In the table of contents it had a list of every religion it was going to talk about (at least 15) including their practices, their beliefs, where they got it from and why they do it. How religions deal with the issue of evil Which religions believe in an afterlife--and what you have to do to get there The history and moral foundations of major religions Belief in non-belief and the fundamentals of atheism Special holidays and festivals central to each religion. From Hinduism to Hare Krishna and from evangelicalism to Wicca, this book includes more than fifty religious perspectives and denominations. It's the ultimate guide to exploring the beliefs and traditions of religions around the world. show more. Product details. Format Paperback | 320 pages.
