CREATIVE BOOK REPORTS: Go way beyond the typical book report with these 20 great ways to get kids to interact with text...good for any grade! 6th Grade Social Studies Social Studies Classroom Social Studies Activities Teaching Social Studies Social Studies Projects History Activities Learning Activities History Teachers Teaching History. Book reports are old news, and kids often don't enjoy doing them. But never fear! These 10 creative book report ideas will spice things up for the better! This is, sadly, the last Human Development Report for which I will write the fore-word, as I will step down as United Nations Development Programme (UNDP) Administrator in August. When I arrived at UNDP in 1999, I said that the Human Development Report was the jewel in the crown of the organization's global intellectual and advocacy efforts. Six years and six reports later, I can report with some pride that its lustre has only grown. Connected devices. When the name of the phone (SGH-F266) appears, highlight the name and click Connect. 4. When the SGH-F266 icon appears, click the icon. The Phone Explorer window appears.
